r21.3.2 Changelog

+-----+
| r21.3.2 Release - 91210
+-----+

Release day - 6th July 2022

Fixes

- DSOF-21165 - Fixed set extension being mask misaligned with screen when using large distortion & centre shift
- DSOF-21095 - Fixed an issue where UVLookup module had checkerboard cross artefacts on the image
- DSOF-21057 - Fix gpu fan speed not running at 100% while d3 is running to improve performance and stability on a vx4
