Fixes

- DSOF-29785 - After holding at the end of a section for a while, Designer will no longer occasionally display the wrong frame of upcoming content when moving to the next section.
- DSOF-29936 - d3service will no longer crash under rare circumstances executing tasks.
- DSOF-29660 - Designer will no longer fail to launch on RX range machines even when they have a valid Designer or Pro license.
